

Dear Parishioner, Friend and Supporter,

You have been generous to St. George's Serbian Orthodox Church, giving your Time, Talent and Treasure toward God and the mission of St. George's. There are many ways to help St. George's mission. Assisting the Priest, helping with fund raising, doing maintenance and other jobs, singing, chanting, teaching, electronics and financial support, etc. are all needed. Giving of our time, talent and treasure on a regular weekly and monthly basis is important. This allows the Church to function without worry about who will be singing, or helping the Priest, where the next dollar comes from, who will be cooking,..... The needs are many. By filling out the form included with this letter, you make a declaration of your gifts of time, talent, and treasure to God and to St. George's.

We started a program that makes it much easier for you to provide your financial support of St George's mission to God, as well as your time and talent. We added four convenient methods to donate to St. George's on a regular basis. You can now use **PayPal** at our website, **direct deposit with an e-check** on a regular or one time basis, donations by **credit card** on a one time or continuing basis, or set up **automatic direct payments** from your own bank account.

PayPal: On the home page of our web site stgeorgeduluthchurch.com there is a PayPal icon to click on and donate with check, credit card, or PayPal account. Browse through our website to find a calendar, posts and events. PayPal is a secured method of payment.

E-check: Fill out the “**Bank Transfer Authorization Form**” enclosed with this letter. This Method is one of the preferred. There is no processing fee for you or the Church. Give or mail the filled out form to the Financial Secretary. By law, the information you give the Financial Secretary is secured. As soon as the information is in the system access to the information is sealed. This is more secure than giving with a paper check.

Credit Card: Fill out the “**Recurring Payment Authorization Form**” enclosed with this letter. Give or mail the filled out form to the Financial Secretary. There is an approximately 2.6% processing fee for the Church with this type of transaction. By law, the information you give the Financial Secretary is secured. As soon as the information is in the system, access to the information is sealed

Direct Pay From Your Bank Account: You can go online to your own bank account, or call your bank for assistance, to set up an **automatic payment from your bank account**. Your bank will then process your request and send a check to St. George's for regular processing by the Financial Secretary. This method is also one of the preferred. There are no processing fees either for you or the Church. Use the following information: **St. George's Serbian Orthodox Church; 1216 - 104th Ave W; Duluth, MN; 55808 218-626-1856. Your account number with us is your name. If needed, add part of your street address to distinguish you from someone else with the same name.**
